

No. 1 DRILLING MACHINE.

MANUFACTURED OF SELECTED MATERIAL, AND FROM NEW AND IMPROVED PATTERNS.

Price Complete,

F.O.B. Cars, TORONTO,

\$400.

Weight,

3,500 lbs.

THIS is a heavy, substantial, back-gear'd drilling machine, has power and hand feed, and drills to the centre of 48 inches. Has steel spindles and all cut gears. Lower spindle arm adjustable to suit high work. Post 12 feet long.

These machines are specially adapted for agricultural foundries and machine shops, where a powerful, quick-acting drilling machine of large scope is required.
